

## Donations, Sponsorships and Collaborations Request Form

---

### Who are we?

TreeClimb was born in 2014 when a unique vision was presented to the Adelaide City Council for the creation of South Australia's first nature-based adventure park in the heart of the Adelaide parklands. After a strenuous four-year approval process TreeClimb was launched in October 2018 and has since welcomed over 170,000 climbers through the trees.

The next step was a TreeClimb in South Australia's scenic, Kuitpo Forest.

Working carefully alongside ForestrySA, TreeClimb developed a second venue just 50 minutes South of Adelaide in the Mt Lofty Ranges.

Both TreeClimb experiences provide a unique opportunity for users to be immersed in nature while the interactive education elements highlight the importance of conservation and the environment.

Each venue is a step closer to our goal to become Australia's leading operator of nature-based tourism and education activations.

**This is just the beginning!**

---

### Supporting local since 2018.

TreeClimb are committed to giving back to the community where ever we can.

Since opening in 2018, we have donated to a large variety of local small business', schools, sporting clubs and fundraisers.

We are drawn to foundations that have a positive impact and align with our values and business objectives.

While we recognise that all sponsorship request have merit, we do receive a significant number of requests for support and are unfortunately unable to contribute to all of them.

All requests will be sent off for consideration and will be notified once a decision has been made.

**If you would like to apply, please complete the application form in full on the following page and return to [info@treeclimb.com.au](mailto:info@treeclimb.com.au)**
