COLLABORATION/ SPONSORSHIP REQUEST

About Us

We are located at the corner of Greenhill and Unley Road, adjacent to the city dirt BMX track.

TreeClimb offers 8 elevated treetop courses, including zip-lines all set within Kurangga Park in the Adelaide City Park Lands.

TreeClimb is great for the whole family, whether you're a thrill seeker or you simply just love being outside in nature.

We have a cafe onsite for those who would prefer to sip on a coffee or have a bite to eat while they watch their thrill seeking companions fly overhead.

Collaboration Opportunities

- TreeClimb Gift Passes - perfect for auctions and quiz nights.
- Passes in exchange for other non-monetary benefits (contra deals)

Sponsorship

TreeClimb are committed to giving back to the community where ever we can.

Since opening in 2018, we have donated to a large variety of local small business', schools, sporting clubs and fundraisers.

We are drawn to foundations that have a positive impact and align with our values and business objectives.

While we recognise that all sponsorship requests have merit, we do receive a significant number of requests for support and are unfortunately unable to contribute to all of them.

All requests will be sent off for consideration and will be notified once a decision has been made.

If you would like to apply for a sponsorship or collaboration, please complete the application form IN FULL on the following page and return to info@treeclimb.com.au

treeclimb

What type of sponsorship / collaboration are you requesting?

- Passes for competition or raffle winner
 - Single Pass
 - Double Pass
 - Family Pass
- Passes in exchange for something (contra deal)

Please list a brief description and mission/ objective of the organisation. E.G Community, Sporting, Arts and why you are requesting support.

Please briefly list your ideal support I.E 2 x TreeClimb Grand Course Passes.

Please briefly outline why you think TreeClimb would be a good fit for sponsorship.

When do you need confirmation of support by? Is there a date we need to consider?

It is a requirement of collaborations and sponsorships that this is communicated through internal and/or external communications. Please outline how you will be including TreeClimb in your comms and how many people this will be communicated to. E.G Social media, newsletter or announcement at raffle etc.

Please list contact details should we need to follow up any further details. Include name, email and best contact phone number.
